23 March, 2015 | By [Liz Shackleton](#)

IM Global will introduce Huayi Brothers' romantic comedy *Only You*, starring Tang Wei and Liao Fan, to buyers at Filmart.

Based on Sony's 1994 film of the same name, which starred Marisa Tomei and Robert Downey Jr, *Only You* follows a woman (Tang) who cancels her wedding plans to fly to Italy and meet the man whom a fortune teller has suggested she is destined to marry.

Currently in post-production, the film is directed by Zhang Hao and produced by leading Chinese filmmaker Feng Xiaogang. Liao Fan previously starred in *Black Coal, Thin Ice* which won the Golden Bear at Berlin in 2014.

IM Global, which has an output deal to handle international sales on Huayi Brothers' Chinese titles, is also selling Wuershan's *The Ghouls*, co-produced by Huayi, Wanda and Enlight Pictures.
