

## James Cameron, Vince Pace Team With BBC Earth, Evergreen on 'Walking With Dinosaurs 3D' Film

9/8/2011 by Carolyn Giardina

**Reliance is financing the movie utilizing CPG's 3D technology, which has been used on "Avatar" and live broadcasts like this week's U.S. Open Tennis Championship.**

AMSTERDAM -- **James Cameron** and **Vince Pace's** Cameron | Pace Group is bringing its expertise to *Walking With Dinosaurs 3D*, a CGI and live-action 3D theatrical feature being produced by BBC Earth Films, Evergreen Films and Reliance Pictures.

Reliance is financing the movie, and worldwide rights are being handled by its subsidiary IM Global. Fox holds U.S. rights and has scheduled the film for a late 2013 rel
