

Distribution round-up: The Babymakers, General Education

2 July, 2012 | By [Jeremy Kay](#)

Millennium Entertainment has teamed up with Tugg on the upcoming release of its Jay Chandrasekhar comedy The Babymakers.

Millennium will open the film theatrically and on VoD on Aug 3 and will utilise Tugg's bespoke screening model to boost the film's reach.

Chandrasekhar stars alongside Olivia Munn, Paul Schneider and Aisha Tyler, among others. IM Global handled international sales and co-financed with Alliance Films.

Well Go USA and Pelican House Productions in association with Greenhouse Studios will partner on the release of Tom Morris' comedy General Education.

Pelican House subsidiary PHP Films will release the film in 10 markets and Well Go USA will stage a day-and-date VoD release on Aug 24.
